I understand the DCI called for this memorandum from [redacted] 25X1
While I believe the points are well taken, I suggest the Defense Department would be very sensitive to any attempt on our part to involve ourselves in their operation. My recommendation is that we make these suggestions to DOD through existing mechanisms at the working level; namely, our liaison in the Policy Coordination Staff [redacted] to the people he has been talking to for many months about this operation. 25X1
